Office Products

The world's first retractable, guaranteed dry-proof permanent marker that works like a pen. Specially formulated inks won't dry out, and deliver solid, bold marks. Write on all surfaces (CD's, paper, plastic, metal, wood).

Your sample is item number AVE69496 (sold individually).

Retractable Pen Style Highlighter. The perfect solution for all your highlighting needs. Faceted pen-style barrel for solid gripping by different hand sizes.

Your sample is item number AVE59498 (sold in dozens). Assorted pack (AVE59489) shown at right.

Be sure to check out all the new Avery products in the mini-catalogue...including lots of rebates.
