BOONE

Magnetic dry-erase boards and **magnetic** markers!

Magnetic dry erase surface is ideal for lists, reminders and notes, then erase and use again! Save space and ensure that your messages are received. Assorted color stripes with white dry erase surface.

These 3x3 magnets are sold in a 6-pack containing two each of 3 different colors. BON 12-707052.

Also available in a larger 5x8 board. The 4-Pack contains four different color stripes. BON-12-707062. (shown at right)

ReWritables Dry-Erase Markers **attach to the board** so they won't get lost. Built-in magnet on cap keeps markers close to the action, and quick corrections are easy with the cap-mounted eraser. Available in six different colors, the ink features intense colors and erases easily. The wide variety of colors allows a choice of ink color to target an audience or to color-key information.

BON 51-659312 (Pack of 6 different colors).

Sample pack contains three 3x3 dry-erase magnets and 1 magnetic marker. Magnets and markers are sold separately.
