Special for the opening of football season: Oakland Raiders silver and black binder clips.

Well, we aren't sure that they're especially for the Raiders, but why else would they put silver and black binder clips together in one package?

And even if you're a 49ers fan, they're still probably good for something.

24 clips in a reusable pouch. Much better than just plain old dull binder clips. Item number ACC71140

And, in keeping with our Oakland Raider theme this week, fax back this entry form for a chance to win an Oakland Raiders checkers set. A perfect Christmas/Hanukkah/Kwanzaa gift for that Raider fan.

Just answer the following questions and fax this sheet back to us for your chance to win.

1. Do you order on Fridays just to get free stuff?

Yes. No.

2. What do you think of today's sample?

Cute.

What a great company, making special Raiders binder clips.

Give me my chardonnay. I'm a 49ers fan.
