

January 2007

Radstons **OP** office plus®

The category is Office Facts.
The answer: 10 million

OFFICE FACTS

10,000,000

- Correct question: How many germs are at the average desk?
- Next question: How can you stop them from spreading?

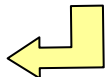

The answer is on page 960 of your new 2007 full-line catalogue.

Purell® Instant Hand Sanitizers kill 99.9% of most common germs.

Your pal:
GOJ9600PL1

Hand sanitizers
GOJ 9562-12 (regular)
or
GOJ 93639-12EA (with Aloe)
