

We've got good news.  
And we've got bad news...  
And then some more good news.

**Radstons** **OP** office plus

- First, the good news: You have two extra days to prepare your tax return this year.  
(It's not due until April 17.)
- Now the bad news: You still have to file.
- And finally, the good news: Here's some stuff to help with that last minute preparation.

DeleteO™ Correction Tape..

BIC WOPGP11

- Rubber grip for comfort and control
  - Goes on dry, write over instantly
  - Fast, clean and easy to use
  - (And how can you top the name?)
- And check out all the other great Bic products.

We hope you don't need these, but just in case.

Either Acetaminophen (generic Tylenol®) or Ibuprofen (generic Advil®).

ACM 90016 (Acetminophen) or ACM 90015 (Ibuprofen)
