

2007
Radstons

Of course I know you have
Post-it notes. But I have
Post-it Super Sticky notes.

Put your notes where they'll really get noticed.

Post-it® Super Sticky Notes hold stronger and longer. Great for use on computers, furniture, children, folders, phones and walls/doors.

And don't forget to check out all
the great products in the 2007
3M brochure!
